COMMENTS FROM THE TOWN MANAGER'S OFFICE

Monday night the selectmen and manager met with Robert Hunter of the Jordan Engineering Company to review the financing of our proposed sewage disposal system.

We were informed that at the present time, federal assistance is limited and no one will know how much can be expected until after the next session of Congress. There will, no doubt be some changes, but what will finally be agreed upon is impossible for anyone to tell at this time.

What would appear to be the best step for us now is to apply for funds to get us on the waiting list. If our name came up at a time we felt was advantageous we could start construction, otherwise we could wait for more favorable financial help.

The law states we must have our plans for construction completed prior to Oct. 1, 1972.

DIRECTORS APPROVE PERSONNEL—BUILDING USE POLICY AT NOV. 25 MEETING

At the regular meeting of the board of directors of S. A. D. 44 held at Telstar Regional High School on Monday evening, Nov. 25, all members were present with the exception of Robert Davis of Newry.

Ralph K. Ryder, superintendent, made the following nominations of personnel which were approved by the directors for the current school year:

Ralph Niemi to be head of the business department at Telstar; Timothy Lavallee to be athletic director at Telstar; Mrs. Margaret Trinward as a business education teacher, replacing Keith Bean, recently resigned; Mrs. Helen Morton as a kindergarten teacher at the Ethel Blisbee School, Bethel.

Lester Bleckford, chairman of the building committee, reported. At the present time P. H. Chadbourne and Co. is completing the digging of a ditch on the southeast edge of the athletic field, and is also in the process of moving a surplus pile of earth located east of the building to the north edge of the present athletic field.

Discussion followed on the possibility of completing a girls' field hockey field and track facility that were in the original plans for this project. Mr. Bleckford reported that the construction budget had been gone over very thoroughly and that there was approximately \$11,000.00 at present to start this project. After further discussion, it was the decision of the majority of the directors that the revised construction budget of Nov. 25, 1968 be amended to include \$25,000 to be appropriated in the 1969 operational budget, and added to the athletic field account.

The directors approved the following board policy: "The possession or consumption of alcoholic beverages is forbidden by any person, group or groups using the facilities or properties of School Administrative District #44."

The chairman of the finance committee, Richard Melville, reported that the 1968 budget appeared to be in order at this point, with a possibility of some overall surplus.

Mr. Ryder reported that all administrative personnel would be present at the next regular board meeting to discuss various aspects of the 1969 budget with the board members.

John Ricker, representative of the S. A. D. 44 directors, reported that he, Mr. Stowell and Mr. Ryder attended the Region IX School Board Association meeting in Mexico, on Friday, Nov. 15. Discussion at the meeting centered around the negotiations bill to be presented at the 104th legislature, teachers' salary schedules and the possibility of increased subsidies for education. On Tuesday, Dec. 17, at 7:30 p. m., members of the Region IX School Boards Association will meet at Farmington High School to discuss proposed legislation with the various legislators throughout Region IX.

Dexter Stowell, board chairman, read a letter from a group of citizens in the District, who are questioning some of the literature being used in the Telstar Regional High School English curriculum. Mr. Ryder advised that he had requested the

Mrs. Herbert Lee, R. N., of the Androscoggin Home Health Services described the services now available in this community and the Council passed a resolution to recommend to the town officers that the town underwrite this service if it should be necessary.

Mrs. Ronald Stevens, chairman of Thanksgiving and Christmas food baskets, reported that 27 families would receive food this week.

Mrs. Lawrence Bailey, clothing depot chairman, was given an official recognition for her work in this department. She may be reached at her home on weekends, or by telephone, to help families who wish to come for clothing. At this time there is a demand for winter clothing for all ages, and especially for children's wear.

Mrs. Dexter Stowell and Mrs. Laforest Twitchell volunteered to visit the next meetings of the Senior Citizen groups in Bethel and Bryant Pond, respectively to distribute materials for Diabetic Detection.

The president, Clifford W. Laws, reported on the activities of the Oxford County Mental Health Association. It now has two full-time staff members, at Norway and Rumford, and both already have full case loads.

After reviewing the question of fluoridation it was voted that if an organization were to sponsor an effort to have fluoridation locally, the Council would support it.

The treasurer, Kimball Ames, reported a balance on hand in the general fund of \$4,285.21, and in the Emergency Fund, \$3,407.76.

GREENWOOD CITY

— Mrs. Colleta Morgan, Corres. —
 Thanksgiving
 When the Pilgrims came to our beautiful land.
 In the year sixteen twenty.
 Their prayers were for a helping hand.
 And through work get food,
 and plenty.

They tilled the soil for their crops,
 Worked from morn 'til set of sun.
 No one shirked, no one stopped
 Till the battle had been won.

By the trials of this Pilgrim band,
 Our America was born.
 Surely it was the Creator's plan
 That this nation was formed.

Each fall when harvest time was o'er,
 With all its gracious living,
 Unto this God they'd pour
 Their gratitude, and thanks,
 giving.

So with humble hearts we should pray,
 And be grateful in our words of grace,
 Count our blessings this Thanksgiving Day.
 As each one takes his place,
 Be grateful for a festive board,
 Ask that peace will come to stay,
 And humbly thank our Lord
 That there is a Thanksgiving Day.

Whereas, the fruits of the year's labor have once more been safely harvested before autumn; and

Whereas, our heavenly Father has bestowed upon us the blessings of peace on our shores and prosperity in our homes; and

Whereas, in deep sincerity, I ask you earnestly, with a sense of obligation to fellow man, no matter race or creed or color, to SHARE that bounty for which we celebrate Thanksgiving this November, which should in humility make each one of us grateful to Almighty God for his blessings;

Now, Therefore, I KENNETH M. CURTIS, Governor of the State of Maine, in keeping with the custom of our honored forebears, do hereby proclaim

THANKSGIVING DAY
In the State of Maine, and urge all citizens of this State to assemble on that day in places of worship and in their homes, and give thanks to God for the happiness of sharing with others the blessings He has so bountifully bestowed upon us.

Given at the office of the Governor at Augusta, and sealed with the Great Seal of the State of Maine, this Seventh Day of November, in the Year of Our Lord, One Thousand Nine Hundred and Sixty-Six, and of the Independence of the United States of America, the One Hundred and Ninety-third.

KENNETH M. CURTIS
By the Governor
Joseph T. Edgar
Secretary of State.

WOODSTOCK

The 65th Annual World Service appeal conducted by Seventh-day Adventists opened on November 23, and will continue until New Year's.

November 23 was called "Mystery Sabbath" in the Woodstock Seventh-day Adventist Church. It was reported that nearly \$900 has been collected toward their \$2,000 goal. These funds help support Adventist welfare, disaster relief, educational, medical, and mission work in 190 countries.

All solicitors for the local campaign will be unpaid S. D. A. volunteers. By using volunteers and already existing channels for handling funds, the church is able to eliminate overhead expenses. All money collected goes to further the Church's humanitarian activities.

Contributions are allocated to local, state, national, international programs according to needs. Overseas the church supports mission schools, leper colonies, clinics, dispensaries, hospitals and relief units that are often the only facilities available to needy persons. The annual World Service Appeal is the only public appeal for funds made by the Adventist Church.

Locally the Welfare Center in Norway is supported and maintained by area Seventh-day Adventist Churches and is open on each Tuesday to accommodate those in need.

Mr. and Mrs. R. M. Fleet, from Norway.

Mr. and Mrs. Ed York are visiting Will Spinney for a few days from China, Maine.

The hunting season is getting shorter and some of us are very glad, some are discouraged and some very sad over their losses.

Mr. and Mrs. Bryce Yates are to have the Yates families as Thanksgiving dinner guests.

Mrs. Barbara Yates called on her parents at Andover, Sunday.

There was a good crowd at the opening of the Sunday River Ski-way.

Sunday callers at Mr. and Mrs. Estes Yates were Mrs. Verna Swan, Bryant Pond, and Mrs. Tom Carter and two girls from Bethel, Mrs. Ruth Ayer of Gray, and Mrs. Effie Dunlap of Danville.

Now Mr. and Mrs. R. M. Fleet were very pleasantly surprised when one of their cats called their attention to a pair of pheasants in their back yard Wednesday morning. They seemed very hungry and shy so was handed out a lunch. They have been back twice. We hope we can help them through the winter and they will nest near us another spring. We have one robin and one swamp sparrow trying to pick out a living from our bird feeders and frozen apples.

As for the weather only five all clear days so far, cloudy, cool. Only 21" above one morning. Good sledding any place but the well-plowed and sanded town roads. They have been kept so far so that mail, school bus and doctor can go either up or down any time.

Mr. and Mrs. Stan Morgan of Bryant Pond and Dr. Ring of Vermont, have closed their camp and gone home and some others have gone also on account of too much frozen snow for good hunting.

The meeting was called to order by President Maria Clements. Plans were made for the Christmas gifts for the shut-ins. The members in the two nursing homes and others in their own homes were considered.

The next Christmas meeting will be held with Mrs. Sayward Lamb the 11th of December. Each member is to bring their gift for their secret sister or if they can't come, please send it. Also, bring an exchange gift.

The shut-in gifts will be wrapped and plans for next year's Willing Worker's calendar will be planned so if anyone has a preference as to when they wish to entertain, please let it be known to the committee who prepare the books.

At the close of the meeting nice refreshments were served by the hostess.

death of Mrs. Andrews' sister-in-law, Mrs. Hope Wood. She lost her husband, Harlan Wood, last year. The funeral for Mrs. Wood was Monday.

FEELING THE TAX BITE?

The recently enacted 10% surcharge on Federal taxes on income has not only reduced your take-home pay since July 13, it also means all of us may ultimately pay more for many of the things we buy.

We at Central Maine Power Company have felt the tax bite, too. Our income, like yours, also shrinks as a result of the tax surcharge. CMP's charges for taxes in 1967, Federal, state and local, totaled \$14,264,241—over a million dollars more than we paid the year before. In most communities it serves CMP is among the highest and in many it is the highest taxpayer. If tax income were not collected in this manner, the taxes paid by CMP to our Maine communities would have to be paid by other property owners.

When you pay your monthly bill for electric service, remember that almost one-fourth of your payment is helping to provide education, welfare aid, defense and highway funds, police and fire protection, and other vital needs.
